Alumni Annual Meeting and Dinner

More than 125 Old Boys and Old Girls turned up for the Annual Meeting and Dinner held at the Montreal Badminton and Squash Club on February 11, 1976, making the evening a huge success. The Hon. Senator Thérèse Casgrain was the guest speaker and through her oratory and dignified composure kept the audience spellbound throughout her address. Other highlights of the evening were the presence of Dr. Adelaide Gillard, former Headmistress of King's Hall, Compton, and Mlle Odette Cailteux, a long time teacher at that School, and the announcement by the President, Mr. Michael Skutezky '66, of the decision of the Board of Directors of the Alumni Association to award a Special Scholarship to be known as the "Dr. Adelaide Gillard Scholarship", with an annual value of \$1,500. The Scholarship would be available to the daughter of an Old Girl or Old Boy of B.C.S. or Old Girl of King's Hall, Compton. The deserving student would be selected by the Scholarship Committee and the Headmaster of B.C.S. THE OLD BOYS HOCKEY GAME

On March 5, 1976, a rabid B.C.S. crowd was treated to an exciting game of hockey. Their Senior team played a combination of the Old Boys and the Old, Old Boys. Although the final tally was 8-2 in favour of B.C.S., the score had no bearing on the excitement of the game. The fans were delighted by some sparkling goaltending by Mr. Tom Price '48, who, if there were any stars picked, would have been the first. Larry Kredl '72 shone on defense, as well as offense, notching both goals for the Old Boys. All in all the game was enjoyed by everyone, both fan and player, alike.

ANNUAL OLD BOYS FOOTBALL GAME — OCT. 1975

Like another football 'great', Robert McLernon '70 was unable to play in the Old Boys' football game because of 'knees'. Doug Harpur '66 complained of the same problem — both watched the game from the sidelines... Frank MacCulloch '70 got lost on his way back to Halifax from Toronto and found himself in Lennoxville... Cleghorn was seen late Saturday night in the Tap Room at Hovey Manor describing for the tenth time how he had thrown the crucial block making the Old Boys' second Major point possible... Alan Stairs '75 was back from the Coast Guard College in Nova Scotia... Because of the encouraging turn-out, the Headmaster's post-game reception will likely move to larger quarters next year... Final score: School 21, Old Boys 15, coach for the Old Boys was Hart MacDougall '48 and the quarterbacking shared by Tom '68 and Geoff Lawson '67.

Other Old Boys playing were:

Ian Scott	'75

B.C.S. ALUMNI ASSOCIATION

LENNOXVILLE, QUE. J0B 1Z0
CANADA

September, 1976

Dear Old Girls and Old Boys:

The Headmaster has again advised the Association that the Annual "Old Boys" - "Old Girls" weekend will be held as usual on Saturday, October 9th, of Thanksgiving weekend. Old Boys will play the School at football at 2:00 p.m. and at Soccer at 11:00 a.m. Old Girls will play soccer against the School at 11:00 a.m.

The 1975 weekend was the largest turnout of "Old Boys" and "Old Girls" in a long time and the Headmaster has enthusiastically indicated that the reception this year after the football game will be moved from the Board Room in the North End of School House to the Dining Room where there is more space available to accommodate the growing numbers attending. The Headmaster, the Masters and Students look forward to seeing you at the School on Thanksgiving Saturday whether you participate as a spectator or as a player. Your friends and family, are very welcome.

Those interested in playing in the football game or either of the soccer games should contact Mr. Cliff Goodwin at the School (819) 567-5838 or 567-9955, or write to John Blue indicating your interest.

John Blue, Treasurer of the Association reports that there is a growing list of incorrect addresses of "Old Boys" and "Old Girls". We would appreciate being notified of any change of address. Address all correspondence to B.C.S. Alumni Association, Bishop's College School, Lennoxville, Quebec, J1M 1Z8, Canada.

In addition to the annual awards of Scholarships and Bursaries in the name of B.C.S. Old Boys Association (\$7,600.00) and K.H.C. Old Girls Association (\$1,000.00) your Alumni Association has provided for a further Scholarship of (\$1,500.00).

In the President's report to the Annual Meeting held in Montreal on February 12, 1976, parameters of the Scholarship were set out. **The Dr. Adelaide Gillard Scholarship** will be awarded annually by the Association to the daughter of an Old Boy or Old Girl of Bishop's College School or Old Girl of King's Hall Compton who is most deserving, based on the criteria established by the Scholarship Committee and the Headmaster of Bishop's College School. The award of the Scholarship is subject to the prior approval of the Board of Directors of the B.C.S. Alumni Association. If a candidate does not qualify, this Scholarship will not be awarded, as is the case for the School year 1976/77.

In addition to the new Scholarship during the financial year the Association has made the following contributions to the School - Telescopic Camera \$1,000.00 - Public Address System \$300.00 - Old Boys & Old Girls gathering at Queen's University \$300.00 - books for School Library \$500.00 - new Old Girls athletic sweaters \$300.00.

.....

B.C.S. ALUMNI ASSOCIATION

LENNOXVILLE, QUE. J0B 1Z0
CANADA

Since the start of our financial year, November 1, 1975, seventy-four members have contributed a total of \$2,380.00. The previous year 113 members contributed a total of \$3,487.00. Our mailing list records the names of over 3500 Old Boys and Old Girls and the percentage of Old Boys and Old Girls donating is disappointing. The Association recognizes that there are numerous Alumni who have and are still contributing generously to the B.C.S. Foundation Campaign for funds which started in 1972. Notwithstanding attached with this letter you will find a blank "annual giving card" and postage prepaid return addressed envelope. I trust that we can count on your immediate support in the way of a contribution for 1976.

We hope that the support from the members of the Association is sufficient to provide for a further scholarship to the son of an Old Boy or Old Girl of B.C.S. or K.H.C.

In previous correspondence we mentioned that we were looking forward to a Bulletin being produced in the near future. Unfortunately, a satisfactory arrangement has not as yet been reached. Your Board of Directors are engaged in their respective pursuits, and simply do not have time to devote to producing a Bulletin. In 1941 Lewis Evans and Herbie Hall started the Bulletin as an information sheet to Old Boys serving overseas during the last war. It subsequently became the labour of love of Graham Patriquin. We are despondent to see its passing. Your Association recognizes that communication with its members leaves a great deal to be desired. The only time you hear from the Association is when it needs money. Your President had hoped to remedy this situation during his term of office but so far has been unable. The School has been looking for an Alumni Administrator to be solely responsible for the Affairs of the Association and its members without success for over a year. Unfortunately, in the past the responsibility has been split with other responsibilities to the School. In our view the Association should be run from the School and be responsible to the Association for producing a Bulletin and co-ordinating reunions for its members at the School and major centres where members are present. The recommendation of the Association has been accepted in principle but finding the "right person" is not easy. If any of you have any suggestions address them to the undersigned.

We hope to see you at the School on October 9, 1976. There was an excellent turnout last year and it is a nice way to spend a fall Saturday.

Yours very truly,

Diana Colby
